

Technical rider / JLF 2012

Laptop + controllers-Lite Live

Material List :

- 1 Dj Mixing table type DJM 800.
- 1 Multiple Powersock, with at least 4 free powersocks & **VERY IMPORTANT** add a Hi-Lo Combination Converter/Transformer Kit if needed
- 4 Jack-RCA male cables.
- 1 Desk (dimensions 2m*1m at least) to put the stuff/material

ATTENTION:

- Return/Monitors should not be too loud, and must be modified from the mixing table by the artist (up and down)
