

Technical Rider

(DJ Set + hardware machines FX)

As agreed in the contract the Promoter must supply the following equipment. Failure to do so will result in the immediate cancellation of the performance and the Organizer/Promoter will be responsible for paying the Artist his full fee plus expenses.

Setup :

- 2x Pioneer CDJ1000 OR 2000
- 1x Pioneer DJM 800 OR 2000 Mixer
- 1x Table for the equipment, at least 90cm high
- 1x Space for hardware machines FX
- 2x Electric Plugs

Drinks on stage:

- 1 x Bottles of fruit juice
- 2 x Bottles of still water

The in-house sound system and all of the above stage equipment must be set up and ready before the Artist starts his gig. The Artist requests that the in-house sound and light technicians are present at sound check.
